

FIWT 2019-20 COMMUNITY SERVICE PROJECT

SUPPORT YOUR LOCAL ANIMAL SHELTER

Welcome beautiful people to our 2019-20 Community Service Project. This year is looking like it's going to be **Doggone Fun!** The **Cat's Meow!** Our illustrious Madam President has chosen your local animal shelter as her focus this year.

This year, we would love for you to volunteer at your local animal shelter. You will receive points for each trick you perform. You may volunteer hours to help out your shelter. Play with the critters. Clean cages or litter boxes. Bathe a dog (I would not recommend doing this to cats though). Or, you can make a donation. Money, food, toys, towels, blankets, doggie beds, kitty boxes, cleaning supplies, collars, etc. You could even have a birthday party. Instead of gifts for you, attendees could bring a donation. Or the best one of all... **ADOPT A CRITTER!**

Your points will be as follows:

- Party Attendees 10 points each
(with donation, add additional 100 points)
- Volunteer hours 25 points per hour
- Donations 100 points
- ADOPTION 500 POINTS

At the end of the presidential year, please send your sheets to Debbie at debbie@rniagency.com to be tallied. The local association with the **most points** will *earn a gift* of **\$100** for their local animal shelter directly from our illustrious, gorgeous, magnificent Madam President herself!

NOW GET OUT THERE AND TAKE CARE OF THOSE CRITTERS IN NEED!
